

"Goodbye summer; hello fall"

forest event at the Redwater Recreation Area on the Dalmuir map

Date: Saturday and Sunday September 21 & 22, 2013 (same courses both days). Come prepared for any weather and wear old clothes.

Location: Approximately 12 km east of Redwater. See reverse for directions and location map.

Map: Dalmuir 1:10,000, 2.5m contours.

Terrain: Sandy pine forest with some deadfall. Lots of trails.

Registration, Beginners' Clinics & Start times: 12 noon - 2pm (both days). Register on-the-day only.

Courses Close at 5pm (both days) - everyone must report back in by this time, finished or not.

Probable Courses/Loops:

1	Beginner course with controls on or very close to paths or other handrails such as cutlines, distinct vegetation edges	~3.0km
2	Novice - controls within 50-100m of paths or other handrails	~2.6km
3	Intermediate course, controls across country, on larger features	~4.4km
4	short advanced, technically difficult course	~3.7km
7	long advanced, technically difficult course	~7.2km

Distances are 'as the crow flies' & do not include the walk to the start or back from the finish.

Entry fees: _____ for one day or both days:

Members	\$10 per map, which may be shared. Fee includes SPORTident electronic timing card* plus, if necessary, compass and whistle. (Deposit of driver's permit required for rentals)
Non-members	\$15 per map, which may be shared. Fee includes SPORTident electronic timing card plus, if necessary, compass and whistle. (Deposit of driver's permit required for rentals)
	Additional maps for groups going out together \$5 each
Whistle	Compulsory - any kind will do. A group needs only one between them.
Watch	Strongly advised - we have loaners if you forget to bring one.

*members with their own SI card get a \$2 discount if they bring exact change.

Course planner:

Gene B (Orienteering Canada Level 400 official)

Directions:

From north Edmonton:

Take 97 Street, then Hwy 28 north from the city.

Take the Redwater turn off. After the initial bend, drive dead straight (= due east) for approximately 15 km to RR 204. Road surface changes from asphalt to gravel and the road number changes twice, ending up as Twp 574. JUST DRIVE IN A STRAIGHT LINE.

At RR 204, turn right/south and drive 1.5km towards the end of the dead end road.

Alternative route from the south and east of the city:

Take Hwys 21 and/or 15 past Fort Saskatchewan to SH 830 (sign posted 'to Vinca Bridge').

Turn north/left on SH 830.

At the end of SH 830, turn west/left onto Hwy 38 (towards Redwater) and cross the Vinca bridge over the North Saskatchewan.

Approximately 2 km after crossing the bridge, turn east/right onto Victoria Trail.

A little more than 4 km along the graveled Victoria Trail, turn north/left onto RR 205 . At the T junction turn right and go east for 1.6km.

At RR 204, turn right/south and drive 1.5km to the end of the dead end road.

Check the club website www.orienteer.ab.ca for updates.
