

Blackfoot map notes

distinct LIVE tree

distinct DEAD tree, such as a root stock or tall (5m) stump

the cup symbol on the map indicates a water station
the centre of gravity of the symbol is the location of the water
please use water only for drinking

a black line round a pond or marsh means it is **uncrossable**

MARSHES – some are very wet, while others might only be defined by their vegetation.

SCALE:

Sprint – 1:5,000 all

Middle - 1:7,500 most; 1:10,000 course 7 (M17, M21 M35)

Long – 1:10,000 for most; 1:7,500 for course 1 & 2; 1:15,000 course 7

All maps 2.5m contours.

CREDITS:

Field 6 (middle and long) was mapped by two Portuguese professional mappers, summer 2014.

Field 7 (sprint) was mapped by several amateur club members in 2008. Updated regularly since.
